SPIRIT HIS MOST BEAUTIFUL WOMAN

LONDON—The most beautiful woman he had ever seen was a spirit with "wonderful eyes" according to Count Mikatovich, former Serbian minister to London. The count added he had had conversations with the spirits of the murdered Queen Draga and King Alexander of Serbia, and with Tsar Dushan, who died in the Middle Ages.

"Look!" said the fire-fly, disclosing his spark.

"I am so brilliant I shine in the dark. Surely I'm more than a commonplace star."

Stuck away off in the heavens afar, For I come to brighten you, right where you are.

"Really, I feel that I'm highly commendable."

As for the moon, why it isn't dependable.

It's thin as a sickle, or round as a ball. It's shaved or it's quartered, or black as a pall.

But is my light so frivolous? No, not at all.

"And the sun is a joke. It has never succeeded in shining one particle when it is needed."

Indeed, it's a matter of common remark.

You never can see it a bit in the dark. But I'll tell you, just look at me! See that's my spark."

For Beautiful Hair

Take the advice of highest medical authorities

THERE have been many conflicting claims as to the proper treatment and care for the hair. There has been much confusion and ignorance. Now the confusion is ended. The way is known definitely—safely.

Everyone (men, women and children) should have healthy hair. Nature provided it in the beginning. Proper treatment will preserve it through life. The most eminent authorities have prescribed the way to prevent the loss of the hair's life and luxuriance.

Highest authorities

The Council of the American Medical Association (the highest authority known) has recognized Resorcinol Monoacetate for the treatment of dandruff (seborrheal eczema) and baldness (alopecia-areata)—the common foes of beautiful hair. Resorcinol Monoacetate is the principal ingredient of "La Creole" Hair Tonic.

Thus science approves this wonderful preparation. Abundant vigorous hair is now easily attained.

Simple directions

Two or three times a week apply "La Creole" Hair Tonic to the scalp. Moisten the hair and scalp thoroughly—massaging the scalp with a rotary motion of the finger tips. Scalp circulation is then stimulated, the hair roots supplied with needed nourishment, and dandruff quickly eliminated. You will notice an immediate improvement in the loveliness of your hair.

"La Creole" Hair Tonic

Mademoiselle "La Creole"

Do not be confused by the word "Creole." The wonderful hair of the Creoles is a mark of their pure French-Spanish blood as well as of the care given it. "La Creole" preparations are their favorites.

Proper shampooing

Absolute cleanliness is essential for beautiful, healthy hair. The scalp is constantly throwing off dead skin and extraneous substances. If the pores and hair tubes are clogged with dirt and perspiration, a healthy condition of the hair is impossible. Regularly every ten days or two weeks shampoo the hair thoroughly with "La Creole" Liquid Shampoo.

"La Creole" Liquid Shampoo is made from an exclusive menthol formula of purest coconut and cochin oils. You will instantly notice the delightful, cooling effect from its use. The hair becomes soft and lustrous—dries quickly—and the scalp and pores glow with clean health and vigor.

Always apply "La Creole" Hair Tonic after shampooing. Follow these rules faithfully and notice the improvement in the loveliness of your hair.

When purchasing "La Creole" Liquid Shampoo be sure to get "La Creole" Hair Tonic also, because the formula of each is designed to aid the other.

"La Creole" Hair Dressing

is a treatment for the gradual restoration of the Natural Dark Color to hair that has grown gray, gray-streaked or faded. It must not be confused with common dyes. Refinement approves its use.
